

CAREGIVERS

40 MILLION PEOPLE ARE
CAREGIVERS
ARE YOU ONE OF THEM?

Do you...

- ...have questions about how to care for your loved one(s)?*
- ...know the resources available to you?*
- ...know who to contact and how?*
- ...know the difference between dementia and Alzheimer?*

The Caregivers Ministry of the Pinn Memorial Baptist Church can help! Under the guidance of Louis Colbert, a trained Master Level Social Worker with over twenty (20) years of experience, the Caregivers Ministry has provided help and support for hundreds of people. The Caregivers Ministry is open to the public.
